

CITY OF CARO

Residential Rubbish & Trash Removal Policy

Garbage fee removal from residential homes must meet the following criteria:

1. The residence must be vacant for 12 consecutive months.
2. The last two billing periods of the 12 months must show no water consumption.
3. The owner must request the removal of the garbage fee in writing and state the circumstances.

It is the responsibility of the homeowner to advise the City of any change in circumstances, i.e. the home becomes rented. If the home is sold, the garbage fee will automatically be reinstated.
