**TURKEYVILLE DINNER SHOW / CHELSEA SIGHTSEEING
OCTOBER 23, 2009**

Marshall, Michigan

Based on Green Grow the Lilacs, a stage play, "Oklahoma!" brought together for the first time composer Richard Rodgers and lyricist Oscar Hammerstein II. The duo would go on to write nine musicals together, but none would be as important as the development of American musical theatre as Oklahoma. A milestone in its fusion of story, song and dance, the production even featured a dream ballet which revealed the main characters hidden fears and desires.

The plot is simple, revolving mainly around the question of who will take Laurey Williams to the box social -- the decent Curly McLain or the sinister Jud Fry. Musical number include: "Oh what a beautiful morning," "Surrey with a fringe on top" and of course "Oklahoma".
