Spoonfuls of Plenty

2021

Feeding the hungry ... AGAIN! That is what Spoonfuls of Plenty is all about and Spoonfuls of Plenty is making its comeback!!

Since our very first meal was served in July of 2010, we have served thousands of FREE meals to people right here in our small community! It is hard to imagine that there really are that many people in need of our program, but it is a wonderful feeling to know that we CAN be there to help them with this meal.

We have had a terrific group of supporters in our community step up to sponsor a meal(s). Ranging from, churches, banks, hair salons, business owners, automotive businesses and private donations, too.

But, if we do not have sponsors, we do not have Spoonfuls of Plenty.

I am sending you this letter to ask for your help in sponsoring and/or volunteering for a meal in 2021/2022. Please help us continue the program that so many people in our community have come to depend on every week. Attached with this letter you will be given more information about Spoonfuls of Plenty and ways that you can help out.

I can be available to do a presentation to your group as well, if that would be helpful!

If you have any questions at all, please contact me anytime.

I look forward to talking and working with you soon,

Sincerely,

Carrie Will

Spoonfuls of Plenty

2021

Please note the following:

- Meals will be served at the Human Development Commission, at 435 Green Street (The LeRoy Clark Center). This is a licensed dining facility.
- Meals are served every Wednesday from 3:30-6pm.
- If an entire meal is not an option for you, you can be a “shared sponsor” with another organization. We can help set that up.
- If sponsoring a meal is not an option for you, you can volunteer your time to serving the meal, greeting guests and assisting with clean-up after the meal.
- You will be given an “Agenda” for your meal, which will designate positions we need your volunteers for. In order for the night to run smoothly we ask for 4 volunteers. If you are worried that you will not be able to get 4 people, DON’T! We have a great group of volunteers that can supplement. We can make anything work!!!
- **It may sound intimidating, but I promise you will be guided every step of the way and get to see what an impact you are making to the people in our community who truly need this meal.**
- **At this time, the cost of Sponsoring a meal is \$250.**
- I am in need of filling dates for 2021/2022. If you would like to sponsor a meal on an ongoing basis, you can just let us know what weeks you would like.

Thank - you for taking the time to read through our packet. I hope you will find it in your heart to help out this wonderful program, so we can continue to help so many people!

City of Caro
Manager Matt Lane
317 S State St.
Caro, MI 48723

Dear Caro City Council and Manager Matt Lane:

On behalf of the Tuscola County Economic Development Corporation Board of Directors, Thank You so much for your generous allocation of \$6,000.00 to the Tuscola County Economic Development Corporation we received this month.

Because of your donation and ongoing commitment, the Tuscola County EDC will be using the allocation to support job growth in the City of Caro and other parts of Tuscola County and will help to retain jobs and business operations in the local area. This will provide the Tuscola EDC with resources to continue to counsel businesses and to help to facilitate companies and entrepreneurs to locate into Tuscola County and to help in expanding local agri-business growth and opportunities. The Tuscola County EDC continues to work with businesses in Caro on programs providing working capital, including the payment of utility bills.

In times like this, we are reminded of how interconnected we all are and all your pro-business activities in the past. The Tuscola County EDC has been working with the State of Michigan with small businesses as we have been able to restart downtown businesses, such as Starbrite's re-opening. Thank you for your financial support and continued generous contribution from the City of Caro. You are the reason we are making a positive impact in our community. Without you, none of it is possible.

Sincerely,

Stephen D. Erickson

MEMORANDUM

TO: City Council
FROM: Matthew S. Lane, City Manager
DATE: November 1, 2021
RE: Well #1 Inspection and Pump Replacement

BACKGROUND:

As you may know, maintenance on our water infrastructure is crucial to providing safe reliable drinking water to the community. We are experiencing some problems with the pump at Well #1. It is not creating sufficient pressure to pump water into the system and is currently out of service.

We need to pull and replace the motor, pump bowl and visually inspect (video camera) the well.

We received two quotes to complete this work:

Peerless Midwest Inc.: \$11,066.75

Northern Pump & Well: \$15,527

This project was anticipated and budgeted at \$8,500 as a maintenance inspection. The additional cost (\$2,566.75) for replacement was not budgeted because a necessity since the approval of the budget. However, there are sufficient funds available in underutilized accounts in the water fund to cover the increased expense.

RECOMMENDATION:

It is my recommendation that City Council accept the low bid from Peerless Midwest Inc. in the amount of \$11,066.75 for the inspection and pump replacement of Well #1.

MOTION:

Option 1:

To ACCEPT the recommendation of the City Manager and accept the low bid from Peerless Midwest Inc. in the amount of \$11,066.75 for the inspection and pump replacement of Well #1.

Option 2:

To DECLINE the recommendation of the City Manager.

Option 3:

To POSTPONE action until the next Council Meeting.

FROM: Matthew S. Lane, City Manager
DATE: November 1, 2021
RE: Well #3A Sand Separator Replacement

BACKGROUND:

As you may know, maintenance on our water infrastructure is crucial to providing safe reliable drinking water to the community. We are experiencing sand being pumped through Well #3A and entering the system, causing increased strain on our infrastructure and increased strain on at least one industrial customer.

We have determined the best course of action is to remove and replace the current submerged sand separator with a new above ground sand separator.

We received two quotes to complete this work:

Peerless Midwest Inc.: \$30,100

Northern Pump & Well: \$43,859

This project was anticipated and budgeted at \$28,000. There are sufficient funds available in underutilized accounts in the water fund to cover the additional \$2,100.

RECOMMENDATION:

It is my recommendation that City Council accept the low bid from Peerless Midwest Inc. in the amount of \$30,100 for the inspection and sand separator replacement for Well #3A.

MOTION:

Option 1:

To ACCEPT the recommendation of the City Manager and accept the low bid from Peerless Midwest Inc. in the amount of \$30,100 for the inspection and sand separator replacement for Well #3A..

Option 2:

To DECLINE the recommendation of the City Manager.

Option 3:

To POSTPONE action until the next Council Meeting.

MEMORANDUM

TO: City Council
FROM: Matthew S. Lane, City Manager
DATE: November 1, 2021
RE: Temporary Lease for Bus Garage at Former Recycle Center

BACKGROUND:

As you may have heard, Caro Community Schools has been in search of a temporary bus garage while they identify a permanent solution to housing their maintenance operations after damage to the current bus garage was discovered and the building was determined to be unsafe.

I have been in discussion with Caro Schools Superintendent George Rierson to help them out in any way that we can. The former recycling center located at 1123 Mertz Road, which is owned by the City of Caro, has the facilities necessary to house a bus garage on a temporary basis while they determine the fate of their permanent location.

I have offered and am proposing to allow Caro Community Schools to use the space at no cost under the following conditions which are contained in the lease that is attached for your consideration:

- Caro Community Schools will cover the City of Caro on their insurance for \$1,000,000 as a rider.
- Caro Community Schools will take on the cost of all utilities while they are using the facility.
- Caro Community Schools will take on the cost of any facility changes required to make the building work for them.
- Caro Community Schools will take on the responsibility of snow and ice removal.
- Lease will expire on June 30, 2022 or 30-days after they no longer need the space.
- Lease can be terminated with 30-day notice by either party.

I believe this arrangement is in the best interest of the City, the community at-large and the students of Caro and surrounding areas.

RECOMMENDATION:

It is my recommendation that City Council approve the agreement with Caro Community Schools to lease the former recycling facility located at 1123 Mertz Road and allow the Mayor and City Clerk to sign the same.

MOTION:

Option 1:

To ACCEPT the recommendation of the City Manager and approve the agreement with Caro Community Schools to lease the former recycling facility located at 1123 Mertz Road and allow the Mayor and City Clerk to sign the same

Option 2:

To DECLINE the recommendation of the City Manager.

Option 3:

To POSTPONE action until the next Council Meeting.

CITY OF CARO AND CARO COMMUNITY SCHOOL DISTRICT PROPERTY LEASE

Whereas, the City of Caro (hereinafter referred to as 'City' or Lessor) is the owner of certain properties described below, and

Whereas, the Caro Community School District, a public Pre-Kindergarten through 12th grade non-profit educational entity (hereinafter referred to as District or Lessee), that operates a comprehensive school transportation and fleet maintenance program, seeks to establish a temporary Lease Agreement with the City on a certain property described below, and

Whereas, both the City and the District are desirous of establishing a temporary Lease Agreement for the former Tuscola County Recycling Center,

Whereas, this agreement will expire on the last day of June, 2022 or 30 days after the Caro Community School Bus Garage is approved to be occupied prior to June 30, 2022.

Whereas, both parties hereby agree to the following described property which this Lease Agreement is for:

Northwest $\frac{1}{4}$ of Section 11, Town 12 North, Range 9 East, Indianfields Township, Tuscola County, Michigan.

In consideration of said Lease Agreement, Caro Community School District agrees to the terms and conditions hereinafter set forth.

The terms and conditions of said lease are as follows:

1. That the Lessee shall at all times perform and obey such ordinances and regulations of the City, such requirements of or conditions prescribed by the public health authorities, and such laws shall pertain to the leasehold premises or any other lands which may be affected by the use or occupancy thereof.
2. Lessee agrees to protect and save Lessor from any claims for injuries (including death) to persons or property resulting from accident or other happenings on the premises and further specifically agrees to provide general liability insurance on an "Occurrence Basis" with limits of liability not less than \$1,000,000 per occurrence and aggregate and to name the City of Caro as an additional insured.
3. Lessee shall keep and maintain the premises and any part thereof in at least its current condition and shall be responsible for all maintenance, including snow and ice removal.
4. Lessee shall not have the right to permanently sublet the premises or any part thereof nor to assign the Lease Agreement without the express prior written consent of the Lessor.

5. Either party can terminate the lease agreement with 30 days notice.
6. Any type of damage caused to the Recycling Center will be repaired by the Lessee or the City of Caro may take action to terminate the Lease.
7. All utilities to the Recycling Center, including but not limited to water, sewer, electricity, cable, telephone, etc, will be the responsibility of the District for life of this Lease Agreement.
8. The District will pay for any changes necessary to utilize the Recycling Center as a temporary bus garage. Notice must be provided to the City prior to any structural or mechanical changes made to the Recycling Center for the life of this Lease.

It is further agreed that any violation of, or failure to perform, the terms and conditions herein by the Lessee will be considered Lessee's forfeiture of the right to occupy the premises and Lessor may, with or without notice, terminate the lease agreement and take immediate possession of the property. Further occupancy by Lessee will be considered unlawful.

IN WITNESS WHEREOF, the said City by the Mayor and the Clerk of the City Council and Caro Community Schools has herein caused its name to be subscribed by its President and its Secretary.
