Re: Charter Communications - Upcoming Changes

Dear Franchise Official:

In line with our commitment to provide clear and simple pricing, we are rounding many of our services by \$0.01 per month. RE: Agenda Item – 2002 GMC Altec Bucket Truck

Members of the Caro City Council,

As part of the FY 2024/25 budget, the City Council approved up to \$30,000 to obtain a bucket truck for the City. We previously had a bucket truck for uses such as hanging banners, tree maintenance, and other necessities until 2022 and looking for a viable replacement has been ongoing. As Council will remember, the purchase of a bucket truck was authorized back in June, but it did not meet our expectations upon an in-person inspection. After that experience DPW Superintendent Reese and I decided to ensure a bucket truck was inspected and approved before bringing the item to Council to approve the purchase.

As such, we have a quote from Winter's Truck Sales and Salvage of Cass City, MI for a 2002 GMC Altec Bucket Truck for a price of \$15,320, which includes the title fee. This price is under the budgeted amount and allows us to have some money for minor details such as affixing the City logo and the like.

An inspection report has been included for Council's consideration, and DPW Superintendent Reese has personally inspected the bucket truck and found it within our needs.

Options for motions are:

1. Motion to authorize the purchase of a 2002 GMC Altec Bucket Truck from Winter's Truck Sales and Salvage, LLC for the quoted price of \$15,320 and authorize the signing of all documents required to complete the sale.
2. Motion to deny the purchase and instruct the City Manager to look for another bucket truck.
3. Postpone for further discussion or information.
4. Take no action.

We are reaching out to bring awareness of two proven deposit service offerings at Northstar Bank - ICS and CDARS from the IntraFi network. These services are designed for those looking to expand protection beyond the standard FDIC insurance coverage. Most importantly, both programs provide peace of mind on deposit safety while earning a competitive interest rate and providing access through a single bank relationship. Plus, funds placed in CDARS and ICS stay local to support and build a stronger community.
